

PNEUMATIC ANGLE GRINDER

4" Angle Grinder

VL 5" Angle Grinder

VL 7" Angle Grinder

LIGHTWEIGHT, ROBUST AND HIGH PERFORMING PNEUMATIC ANGLE GRINDERS TO SUIT A WIDE VARIETY OF GRINDING AND CUTTING APPLICATIONS.

The Trelawny angle grinders are suitable for medium and heavy duty industrial applications.

The low vibration models are ideal for metal grinding when low noise and vibration levels are preferred.

Low vibration options available

FEATURES & BENEFITS

- Safety trigger
- Rear exhaust*
- 4", 5" & 7" disc grinders
- Vibro-Lo™ low vibration model
- Lightweight, ergonomic design
- Spindle lock for fast changing of discs
- Adjustable swivel guard
- 0.8 Hp/600W motor

APPLICATIONS

- Cutting
- Grinding
- Weld preparation
- Coatings and rust removal
- Finishing applications

SCALEFORCE 5" SPEED DISC

SCAN HERE FOR SPEED DISC PRODUCTIVITY

Versatile 5 inch, generic hand grinder fitment, SF Speed Disc. Removes coatings, rust and corrosion in seconds.

This long life consumable is ideal for all areas of industrial and marine applications where years of coating build up needs to be removed without damaging the steel beneath.

Unlike traditional grinding discs the SF Speed Disc flexes under pressure to protect the bare metal from damage.
