

# Sordin left/RIGHT Low

Passive hearing protector with low-level attenuation

## Headband version

## Description

Sordin left/RIGHT Low is a passive hearing protector with low-level noise attenuation. As part of the Sordin left/RIGHT family, the product comes with several ergonomic features that are unique to this brand.

Sordin left/RIGHT Low is suitable for low-noise environments, where users are subjected to a noise level of appr. 80–100 dB(A), including pharmaceuticals and outdoor maintenance, where overprotection may be a concern.

Available in	
	Black

WE KNOW WHAT'S AT STAKE.
