Technical Parameters

Product model	A600V	Product brand	Ocean one
Frequency Range	156.000-163.425MHz	Battery capacity	DC7.4V,1200mAh
Intrinsically Safe grade	II 2G Ex ib IIB T4 Gb	Waterproof grade	IP68
Operating temperature	-20°C~+40°C	Antenna anti-group	50Ω
Debugging mode	FM(16K0G3E)	Frequency stability	±10ppm
Output power	5W/1W	Adjacent channel power	≥70dB
Product weight	288g	Product Size (L*W*H)	63x146x42mm
Product standard	Host x1 , battery x1 , antenna x1 , charger x1 , Instruction manual x1 , Back clip x1 , Lanyard x1
