

MSDS Sheet - C-Line, Electric Driven Mucking Winch, lifting cap 400 kg, IMPA 590659

Product Description

The C-Line Electric Driven Mucking Winch is a compact and reliable electric winch designed for lifting and handling loads up to 400 kg. This mucking winch is widely used in maritime, offshore, industrial and workshop environments for maintenance and light lifting operations. Thanks to its electric drive, the winch is easy to operate and suitable for continuous professional use.

Technical Specifications

- Brand: C-Line
- Type: Electric Driven Mucking Winch
- Drive: Electric
- Safe Working Load (SWL): 400 kg
- IMPA Code: 590659
- Application: Lifting and material handling
- Operation: Electric
- Construction: Heavy-duty steel housing
- Mounting: Fixed installation on deck, floor or workbench
- Usage: Indoor and outdoor use (depending on installation)

Key Features

- Suitable for loads up to 400 kg
- Reliable electric drive
- Compact and space-saving design
- Ideal for maritime and industrial applications
