

Technical Data Sheet

(IMPA493401/IMPA493402)

Product Name:Marine Watertight Door Dog Assembly(2 handles)

IMPA Code:493401/493402

Manufacturer:Quanzhou HUAFU Ship Supplies Company Limited

Address:No.208,Zao Zai Mao Road,Sihuang Industrial Park,Xia Mei Town,NanAn City,362302

Contact:Julie Chen

Item	IMPA493401	IMPA493402
Size	73mm	93mm
Material	Carbon steel,hot-dip galvanized	Carbon steel,hot-dip galvanized
Structure	2 handles,toggle type for watertight door	2 handles,toggle type for watertight door
Application	Marine watertight door/hatch cover	Marine watertight door/hatch cover
Surface Treatment	Hot dip galvanized,anti-corrosion for marine environment	Hot dip galvanized,anti-corrosion for marine environment
Feature	High mechanical strength,good seawater corrosion resistance,reliable sealing clamping	High mechanical strength,good seawater corrosion resistance,reliable sealing clamping
Working Temp	-20℃~+80℃	-20℃~+80℃

Remark:This product is metal hardware,not chemical goods,MSDS is not applicable.
