

AP-Line Anti Shatter Film

Clear, 4 mil (100 micron), 152 cm x 15 meter

Safety and security window film designed to hold broken pieces of glass together in the window opening after a break. This reduces the chance of injury from flying shards of glass and makes it more difficult to break in through a window, as well as increases safety and security in the event of an attack or bomb blast.

Features: Clear, Self-adhesive, Easy installation
